

Vuk Mijatović

ANDROID DEVELOPER

Projects

CVApp

Showcase app made to demonstrate some of the skills I acquired while learning and practicing Android development. It consists of five parts:

- Google Books search tool demonstrating API integration using Retrofit and RecyclerView
- "Who Said it" - Trivia quiz demonstrating use of SQLite database and Room library
- "Where Am I" - Tool demonstrating Google Map integration
- Demonstration of Firebase Crashlytics implementation
- "Belgrade Guide" - Showcase for fragment implementation and dual pane UI

Education

Android Basics Nanodegree by Google and Udacity

Advanced Android App Development by Google and Udacity

Faculty of Political Science, Belgrade University

Languages

English

Spanish (basic)

Employment History

Journalist, Kompanija Novosti

Cofounder, 5Magazine
